About Hausstrom

Hausstrom Group is an integrated energy and electrical solutions company serving homes, businesses and industries.

Across power backup, power distribution, consumer goods, mobility and service, we provide dependable products backed by structured support.

With manufacturing capabilities in Nigeria and India, a global HQ office in Dubai, and a growing presence across Nigeria and Africa, Hausstrom continues to build products, partnerships and long-term value across its markets.

Leadership

Under the direction of our Executive Chairman, Mr. Rahul Agarwal, Hausstrom Group continues to expand its capabilities across energy systems, electrical infrastructure, consumer appliances, mobility and service solutions.
